

Product details	
Article number	
Supplier (Specification only valid for goods from this supplier)	
Product name	organic poppy seed
Legal name	poppy seed
Country of processing	
Country of origin (for this article all possible origins are shown)	Czech Republic, Turkey
Agricultural origin	EU-agriculture, Non-EU-agriculture
Product description	Blue poppy seeds, dried from organic agriculture according to regulation (EU) No. 2018/848
Botanical name	Papaver somniferum L.
Variety	
Production	
Customs tariff number	12079190
List of ingredients	poppy seed* *from certified organic agriculture
Product picture (Example photo, not batch-related, deviations possible)	
Preparation	
Usage Foods intended for human nutrition the recommendations.	nat are prepared and consumed according to the preparation
Risk when used as intended for "YOPI" (Young, Old, Pregnant, Immunosuppressed)	
Potential advice for customers	for baking purposes, only for commercial use and further processing

Further product characteristics	
Vegan	Yes
Raw food*	not specified
Gluten free (< 20 ppm) according to analysis	No
Superfood	No
which are not heated above 45°C during not considered, as there are no sufficient information on manufacturing and proces	rm and there are different interpretations of it. For Covitar s.r.o. it includes products the production process as well as sun-dried fruits. The temperatures during transport are reliable information on this. Mainly unrefrigerated containers and trucks are used. The s temperatures are based on surveys of our suppliers.
